

Remarks

In response to the Advisory Action mailed November 25, 20008, the claims of this application were discussed with the Examiner. The Examiner suggested the filing of this amendment to clarify the invention of claims 1, 9 and 12-16, and to distinguish over the prior art.

Entry and consideration of the amendment is requested.

Conclusion

There being no further outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early action to that effect is courteously solicited.

Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees or credits associated with filing of this response, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,
